“In everyone’s life, at some time, our inner fire goes out. It is then burst into flame by an encounter with another human being. We should all be thankful for those people who rekindle the inner spirit.’

When we inspire other people, we rekindle the inner spirit, both theirs and ours. When we inspire other people, we breathe new life, purpose and passion into them and us. Inspiring others is among the most important of our life’s work.”

Stephen M.R. Covey
